South West Tenants Advice Service 1800 642 609

The service provides telephone advice from 9am to 4pm Monday to Friday, to all residential tenants. We also advocate on behalf of tenants with their landlords and if necessary attend Tribunal hearings with tenants. A monthly face-to-face service will be starting in Cooma later this year.

Family Support Services

Family workers offer practical and emotional support to families with children. Support and education groups are run throughout the year (eg parenting skills, self esteem etc) as required. Families may request a service for themselves or be referred by another service. The service is FREE.
